WHEREAS, the March 16, 2020 Resolution 20-2195 further recognized and supported the issuance of Executive Orders by the President to account for the continuity of operations, institute necessary closures and implement any rules or regulations that may benefit Cook County workforce and residents during this extended Proclamation of Disaster; and

WHEREAS, in order to further provide for the safety of our employees and residents, the Forest Preserve District will engage in efforts to limit public access to its buildings and reduce to the extent able the number of employees required to work on-site; and

WHEREAS, this phase will allow for the continued operation of essential functions of Forest Preserve District government while protecting the public and the Forest Preserve District employee population through a reduction of the footprint on-site in Forest Preserve District buildings; and

WHEREAS, an enhanced focus on social distancing should be implemented to help prevent the spread of the virus.

NOW THEREFORE, by virtue of the authority vested in me by the Constitution of the State of Illinois, the laws of the State of Illinois, the Ordinances of Cook County and the Forest Preserve District and the March 10, 2020 Proclamation of Disaster that was extended by the Board of Commissioners through May 31, 2020,
