### Part II: Land Use Request Information Questions

1. Please describe in detail the nature of your request, including, but not limited to:

(a) Plans depicting and describing the manner in which you intend to alter District property;

(b) Any and all physical improvements, and structures to be built;

(c) The useful life of the improvements, if any, to be built on District property; and

- (d) The plan for maintenance of the improvements during the useful life of the improvements and the plan for removal, if any, of the improvement.
2. Please provide detailed maps or plat (s) detailing the location and dimensions of the area that will be impacted by the proposed request. Please include information for both the construction and operation phases of the project.
3. Please describe, in detail, the manner in which the District will benefit from your proposed request?
4. Please describe, in detail, the manner in which the public will benefit from this proposed request?
5. Please describe, in detail, which alternatives, if any, have been considered other than the use or acquisition of an ownership interest of District land and why such alternatives are not feasible or practical.
6. Please indicate whether all alternatives to the proposed use or acquisition of an interest in District land have been exhausted.
